Ministry of Design

project Prologue, Singapore.

standout Customers encounter bookcases clad in plastic laminate before taking the epoxy-finished steel stairs up to the stationery department.

MarkZeff

project Brother & Sister, Hong Kong.

standout Peruse the decorative objects, jewelry, and limited-edition sneakers, all showcased in vitrines with burnished-bronze frames, or digest it all in the café.

Agence Néonata

project Galerie BSL, Paris.

standout A ribbon of white solid-surfacing starts as a low platform, flows outward to become flooring, rises along a sidewall, and doubles back as a canopy.

CL3 Architects

project East, Hong Kong.

standout The restaurant's orange-painted steel butterflies and the guest rooms' fuchsia resin tyrannosaurs prove that this is no ordinary business hotel.
